(Rephlex Records)

[color=green]ENDUSER (LIVE) {Usa}[/color]
Another legend who's stoppin' by on his european tour! New release comin' up in 2010!!
(Ad Noiseam, Ohm Resistance, Hymen)

[color=blue]EBOLA (LIVE) {UK}[/color]
Everybody who listens to breakcore knows Ebola, it's as simple like that! But there is something more...The last years he found out about some new genres like Fidget & Dubstep. He blended this newly found styles with the typical Ebola sound! Watch out for this one, because it's going to be a mindblowing trip through genres like you never heard them before!
(Wrong Music)

[color=red]SUBURBASS (LIVE) {FR}[/color]
One of the best Hardtek/Tekno producers who's music is mostly influenced by movies from the past.
(Le Diable Au Corps)

[color=green]X&Trick (LIVE) {BE}[/color]
Founder of Bug Klinik, No introduction needed I guess?!
(Bug Klinik)

[color=green]SUBREACHERS {BE}[/color]
These young producers are really blowin' up the dubstep-scene, their songs are being played on Belgian radiostation StuBru, they got signed on a British label and are residents on the Soulblazers party!
(Soulblazers)

[color=red]MR. ORANGE {BE}[/color]
Playing the best core on vinyl!
